Reference: Martins All Floors

After we have one of our listings sell, the seller may leave early and we need to have the carpets cleaned for the new owner.

Over the last four years, we have used exclusively Martins All Floors to clean our customers carpets.

We have also recommended Martins All Floors to many of our friends and have nothing but good reports.

We publish an Approved Contractor List for our customers and for Carpet and Floor Cleaning, Martins All Floors is the only carpet cleaner listed in our book. I understand that a new service is now offered >>>> Carpet stretching. >>> Will have try that service soon as most places need it.

When I call Lisa and set up an appointment, You can expect John to be there as scheduled and always do a great job.

We highly recommend this team.

Sincerely,

Bill & Frieda Christianson
